

The Cleaner Answer® products are alkaline water-based cleaners that are organic, 100% biodegradable and laboratory tested for superior cleaning efficiency!

Benefits

- **No harmful chemicals to pollute our bodies and our environment!**
- **Safe to use – no need to wear gloves!**
- **No lingering residue to attract more grime!**
- **No artificial perfumes or harsh, chemical smells!**
- **Won't aggravate allergies!**

Multipurpose

Ideal for most surfaces including vinyl, tile, floors and tables. It's odorless and safe and it leaves no trace of chemicals behind!

Glass

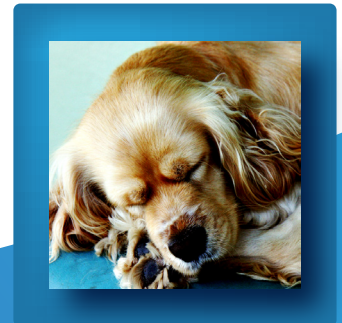

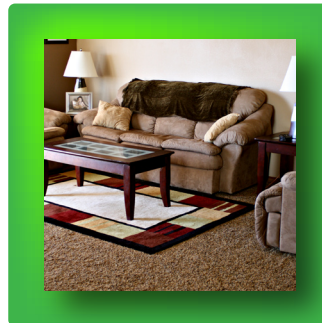

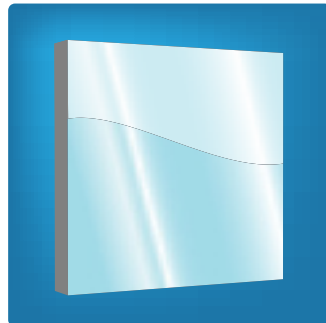

Ideal for windows and mirrors. Its unique composition keeps dirt from sticking to glass surfaces. It also reduces fogging and water spots!

Carpets

Ideal for all types of carpet! Its low-suds formula releases the bond between dirt and grime, lifts them to the surface and leaves no residue to attract more.

Odor Control

An odor neutralizer that is ideal for any room. It leaves a clean smell without the use of chemicals and artificial perfumes. It can even eliminate bathroom odors, and pet smells!
